Meet Your Neighbors

By Susan Brown

As you cruise the lake on a pontoon or kayak, have you ever wondered who lives in the house on the north side with the amazing large fireplace area and an in-ground pool? Wonder no longer. Our featured neighbors this month live on lot 71 with said amenities! Tim, Jennifer and Clayton Hellmich have been residents of Schaefer Lake for almost eleven years, and like many of us they have tackled numerous projects over the years. The pool was there when they moved in, but the extensive walls with the outdoor hearth and fireplace were designed and built by Tim. Impressive!

Tim is originally from Greensburg, and Jennifer grew up in the small community of Darlington (less than half the size of Hope). Tim and Jennifer met when they were both students at Ivy Tech in Columbus; and after marriage and several moves around Indiana; they decided to make Hope their home.

Tim has worked in sales of concrete block and masonry for 23 years. His employer is in Shelbyville where Wheeler Corporation just became L-Thorn on March 31. The company provides materials for projects large and small, and they have products to help you (or your contractor) build retaining walls, or do landscaping, etc. Feel free to give Tim a call.

Jennifer, however, doesn't want to sell you materials; she wants to sell you the whole house! Real estate is her passion. Jennifer started out in marketing and advertising for a Columbus real estate agency; and after a number of years, she has learned many ins and outs of the real estate business. Then, she was offered a job she couldn't pass up! So, Jennifer took the necessary courses and tests; and for the past 1.5 years, Jennifer has been a licensed broker for RE/MAX Team in Columbus.

Clayton is Tim and Jennifer's son, and he is now a junior at Hauser High School. He's a busy young man who loves to fish. In fact, he has quite the collection of rods and reels! Clayton also works part-time at 450 North Brewery, and some of you may have seen him bussing tables or doing various other jobs there.

When asked what they like to do in their free time, Jennifer replied that they love living here at the lake. With the demands of work, they think of their home as a destination and a place to have "staycations". Last year they purchased their first boat, so now they can also spend more time out ON the water. Please give them a friendly greeting as you see them cruising around in the coming months!

2017 Dues are due on April 15, 2017. Please mail your dues and registration forms to P.O. Box 41, Hope, IN 47246. A member of the membership committee will be happy to drop off a key to the boat ramp and stickers for watercraft if needed.

The board will meet on April 19th at 7:00 P.M. at the home of Mike and Jamie Champlin. If you have a topic that needs to be discussed, please contact a board member before that time. If you would like to present your topic in person, the board meetings are always open. We only ask that you contact a board member to arrange for time on the agenda and to assure adequate seating at the meeting.

Easter is really an entire church year, as opposed to a the 40-day period leading up to Easter Sunday, is a time of reflection and represents the 40 days that Jesus spent alone in the wilderness before starting his ministry, a time in which Christians believe he survived various temptations by Satan. The week preceding Easter is called Holy Week and includes Maundy Thursday, which commemorates Jesus' last supper with His disciples; Good Friday which honors the day of His crucifixion and resurrection. The 50-day period following Easter Sunday is called Eastertide and includes a celebration of Jesus' ascension into heaven. Jesus' crucifixion and resurrection occurred after he went to Jerusalem to celebrate Passover (or Pesach in Hebrew), the Jewish festival commemorating the ancient Israelites exodus from slavery in Egypt. Pesach eventually came to mean Easter.

I don't know about you, but my family loves having brunch for some of our Easter get-togethers! We love breakfast casseroles and it's nice to have some healthy options that are still delicious!

Healthy French Toast Casserole

Ingredients:

9 sprouted bread slices like Ezekiel bread, cut in large cubes
4 eggs
1 cup egg whites
1 cup almond milk, unsweetened
1 tbsp pure vanilla extract
½ tsp. liquid stevia
½ tsp. cinnamon
½ cup pecans, coarsely chopped
1 tbsp. brown sugar
Coconut oil cooking spray or Pam
Honey or pure maple syrup
Greek yogurt (optional)

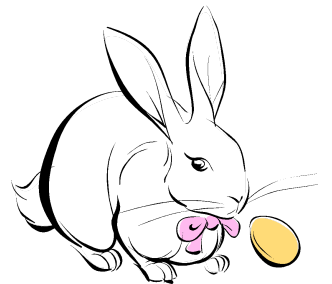

Directions:

Spray an 11X7 baking dish with cooking spray. Place bread in, spreading evenly. In medium bowl whisk eggs, egg whites, almond milk, vanilla, stevia and cinnamon. Pour mixture evenly over the bread. Cover tight and refrigerate overnight or 2 nights. When ready to bake, preheat oven to 350 degrees and sprinkle casserole with pecans and brown sugar.

Bake uncovered for 45-50 minutes. Serve warm with a little drizzle of honey or maple syrup and/or Greek yogurt if desired.
